

St. Catherine's Anglican Church, Stuttgart Information Form

Note: There are many occasions in church life when it is extremely helpful for the Vicar/the Wardens/the Church Council to have your contact details and some very basic information about you and your family, in particular when we are planning events and activities. This is why we are requesting you fill out this form. We will treat this information as confidential.

We are also planning on creating a St. Catherine's Directory, which will be distributed in printed form or via e-mail to all members of St. Catherine's, so that you can contact each other. The directory will not be published on the website or made available in any other way via the internet or in hard copy at church. We understand that you may not wish to be included in the directory at all, or that you may not want all your contact details to be included.

This is a new directory and replaces all previous information provided.

Please mark all the details that you wish us to include in the directory by placing an asterisk * between the brackets ().

Thank you
