Weltgebetstag - World Day of Prayer

This year's World Day of Prayer is on Friday, 6th March 2020. The Markuskirche in Stuttgart-Süd, Filderstraße 22/Ecke Römerstraße is acting as host this year for our area. The country which provided the liturgy this year and which we are focussing on is Zimbabwe. Everybody is invited to attend and join in.

Introducing Pfarrer Christopher Sturm

After the Ash Wednesday service and fish supper, the new Old Catholic (OC) Pfarrer, Christopher Sturm, was kind enough to sit down and allow himself to be interviewed. So here is a brief introduction to the new man at the helm of our host congregation.

From 2012-2020 he was the Pfarrer for the OC congregations in [Offenbach am Main](#) und [Aschaffenburg](#). The move to Stuttgart, was in some senses a move home, before joining the OCs he was a Roman Catholic priest in Zuffenhausen and Stammheim.

We discovered a common interest in Scouting and that the old adage "Once a Scout always a Scout" holds true in German as well as English, another childhood interest was football and he is still a VfB fan..

On a more theological note, his favourite Bible passage is from John 14: "My Father's house has many rooms..." There is place for everyone in God's house, but also space for everyone to be themselves. He envisages it as a house, with many flats, sometimes communal, sometimes giving us a space to retreat into and close the door. This togetherness in diversity important, as humans and as Christians we should seek to live together, get to know each other and be open to encounters with the unknown. If we are open to each other, then the barriers of culture, tradition or language can be overcome. (Although you will have to prove that your German is really bad, before he'll be brave enough to speak English ☺)
He looks forward to getting to know us better.

Intercessions during Lent

For the prayers of intercession there will again be a world map on the floor in that big space behind the altar and people will be invited to get out of their seats and pray for a country, an area..... in the stillness!

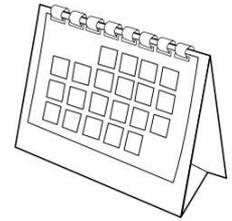

Where will you pray for this Lent?
