

St.Catherine's Lent Pilgrimage Saturday March 14th 2026

The plan is to walk from Rottenburg am Neckar to Tübingen via the Würmlinger Kapelle. The idea would be to walk and talk and enjoy some time together but also to contemplate, learn and spend some time in silence.

This is the rough plan for the walk – we can adapt a little depending on number of participants and the weather! And there are options for people to join at different parts (see the table below). Everyone is welcome! Please let me know asap if you are interested in any part of the plan! We must confirm or cancel the tour of the Kapelle in the next 2 weeks. If we are minimum 5 people, we will do the tour!

Walking distance: Around 12-14km (but there are options!)
