

## St.Catherine's Lent Pilgrimage Saturday March 14<sup>th</sup> 2026

The plan is to walk from Rottenburg am Neckar to Tübingen via the Wurmlinger Kapelle. The idea would be to walk and talk and enjoy some time together but also to contemplate, learn and spend some time in silence.

This is the rough plan for the walk – we can adapt a little depending on number of participants and the weather! And there are options for people to join at different parts (see the table below). Everyone is welcome! Bring your friends and family if you like! We will have a tour of the Wurmlinger Kapelle (in German). Please let us know if you plan to join any part of the walk so we can communicate via the designated Whatsapp group or otherwise if needed to make sure we meet up.

Walking distance: Around 12-14km (but there are options!)
